If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new book, however do not embrace a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Make certain your gross sales copy is precisely the similar on every

web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.
